"A claim involving urgent care is generally a claim for medical care or treatment with respect to which the application of the time periods for making non-urgent care determinations could **seriously jeopardize the life or health of the claimant** or the **ability of the claimant to regain maximum function**; or, in the opinion of the physician with knowledge of the claimant's medical condition, would subject the claimant to **severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.**"

I certify that this request meets the above definition for Urgent processing according to the [Department of Labor](#).
